STATEWIDE. Open to current on-board members of the California National Guard (Army or Air)

Duties

This position is located in the ANG Base Engineering Division. May assume the duties of the Base Architect/ Engineer in his/her absence. Provides supervisory and technical assistance to the Base Architect/Engineer in overseeing and managing the engineering shops and production control function. Provides technical support to all assigned sections. Provides guidance to these sections on standard and code requirements.

Develops engineered solutions to technical problems, which are incapable of being resolved by subordinates. Typical problems require the need to perform extensive mathematical and technical calculations in engineering to include civil, mechanical, electrical, or general engineering as well as architecture. This position requires military membership. It is designated for National Guard officer incumbency only. The incumbent provides subordinate guidance and team leadership to Non-Dual Status and Dual Status employees. Incumbent performs planning development necessary to accomplish architecture and engineering functions for programs essential to state Air National Guard daily operations, training, and readiness missions. Fosters an environment conducive to teaming among service providers and customers to meet state Air National Guard requirements.

Develops and implements civil engineer (CE) force employment, and provides staff supervision and technical advice. Performs and manages CE functions and activities to provide facilities and infrastructure supporting the United States and allies. Activities include programming, budgeting, project management, drafting, surveying, planning, feasibility studies, construction management, utilities operations, energy and environmental programs, land management, real property accounting, fire protection, explosive ordnance disposal (EOD), disaster preparedness (DP) programs, family housing and dorm management, and mobilization programs at base level. Serves on response teams and related installation support services. Advises commanders and government officials on effective use of CE resources.

Qualification Requirements

Officers must meet the entry-level Air Force Specialty Code (AFSC) qualification criteria outlined in ANGI 36-2001, *Classifying Military Personnel (Officer and Enlisted)* and Air Force Officer Classification Directory (AFOCD), dated 31 July 2008, for the duty AFSC compatible with the UMDA position.

Conditions of Employment

- Individuals selected for AGR tours must meet the Preventative Health Assessment (PHA)/physical qualifications outlined in AFI 48-123, *Medical Examination and Standards*. They must also be current in all Individual Medical Readiness (IMR) requirements to include immunizations. RCPHA/PHA and dental must be conducted not more than 12 months prior to entry on AGR duty and an HIV test must be completed not more than six months prior to the start date of the AGR tour.
- IAW ANGI 36-101, para 5.5. AGR Airmen are subject to the provisions of ANGI 10-248, Air National Guard (ANG) Fitness Program until superseded by AFI 36-2905, Fitness Program. Airmen must meet the

minimum requirements for each fitness component in addition to scoring an overall composite of 75 or higher for entry into the AGR program. For members with a documented DLC which prohibits them from performing one or more components of the Fitness Assessment, an overall "Pass" rating is required.

- Must meet height and weight standards of AFD 36-29 and cannot be on the Weight Management Program (this does not include the probationary period after the loss of weight).
